## **Lead Basics (Essentials 3.4)**

Major and Minor Arpeggios

---

### **LESSON NOTES**

This lesson covers the construction of major and minor chords-and then shows you how to play some simple triad arpeggios.

Arpeggios are really useful, understanding them is beneficial for learning new music, writing and improvising-it is well worth getting to grips with them.

#### **Points covered:**

- Major/minor chord construction
- Major triad arpeggio
- Minor triad arpeggio
- Why arpeggios are important
