Lead Basics (Essential 3.4)

Major and Minor Arpeggios

LESSON NOTES

This lesson covers the construction of major and minor chords-and then shows you how to play some simple triad arpeggios.

Arpeggios are really useful, understanding them is beneficial for learning new music, writing and improvising-it is well worth getting to grips with them.

Points covered:

- Major/minor chord construction
- Major triad arpeggio
- Minor triad arpeggio
- Why arpeggios are important
